The versatile TuneBase FM plays your iPod™ tunes through your car stereo—as it powers and charges your device. By seamlessly integrating an FM transmitter with the versatility of a car power adapter, the TuneBase FM for iPod® offers the outstanding convenience of an all-in-one solution on the road. The holder secures your iPod® and features an innovative, flexible-steel neck for easy repositioning. This package includes tray adapters to fit various iPod® models.

The TuneBase FM for iPod® makes sure your music plays — wherever you go.
Operates on multiple FM channels from 88.1MHz-107.9MHz.
