

## AT Serial Adapter Block - F2L088b

This AT Serial Adapter Block converts a DB9 male serial port into a DB25 male port.

©2000 Belkin Components

### Product Features:

- Gold plated copper contacts provide maximum conductivity and keep data loss to a minimum.
- Belkin lifetime warranty.
- Ground indents provide excellent conductivity and retention with mating connector.
- Aluminum undermold shielding helps to meet FCC requirements on EMI/RFI interference.
- State-of-the-art-wiring design ensures 100% compatibility with all devices 100% of the time.
- 28 AWG stranded tinned copper conductors are individually insulated in polypropylene to minimize cross talk, ensuring high-speed, error-free transmission.
- PVC premold encapsulates individual conductors to ensure electrical isolation and relieve stress.
- <i>Without Retail Packaging</i>
