

MasterCube™ - F5C195uTEL

Imagine 500 volts coming down a 9-volt wire. That is exactly what happens when a surge travels down the telephone/data line. Your modem is the most damaging place a surge can strike a computer. Close that door, and protect your data line.

Características del producto:

- Maximum Spike Amperage (19,500 amps)
- 8#163: 15,000 Connected Equipment Warranty
- 1 portable single socket perfect for laptops
- Convenient portable wall mount
- Internet Ready Telephone/Fax/Modem protection
- Surge Protected light indicates protection is functioning properly
- Earth indicator light lets you know the socket the unit is plugged into is properly earthed (grounded)
- 824 Joule energy rating provides maximum protection
- Includes 1.8 metre (6ft.) telephone cable
- Electro Magnetic Interference/Radio Frequency Interference filtering for clean power
