

PureAV™ Speaker Pins - AV24001ea

PureAV Blue Series Speaker Pins provide high-quality termination to your 14-, 16-, or 18-Gauge Speaker Wire with crimp-style installation for maximum durability and a secure fit to your amplifier or receiver. They are color-coded red and black for easy ID and installation. Our superior construction ensures maximum signal transfer and prevents corrosion to your equipment for smoother, more accurate sound.

Características del producto:

- Terminates speaker wires to connect amplifier/receiver and speakers
- Provides durable and secure fit for superior sound quality
- Features 24k gold-plated connectors for precise contact
