

## 5-Pack Desktop Network PCI Card

Enjoy the uncomplicated benefits of high-speed Internet access and networking at home or in the office. Just slip the Belkin Desktop Network PCI Card into your computer's PCI slot, and get ready to reap all the advantages of a larger network. The Card plugs into your 10/100BT Ethernet network and lets you share peripherals and files with connected computers.

Used with a cable or DSL Internet connection, the Card gives your computer high-speed broadband Internet access.
