

USB Media Reader/Writer for CompactFlash II - F5U140ea

Now you can transfer files easily between your PC or Mac and your MP3 player, cell phone, handheld, and digital camera. The Belkin CompactFlash USB Media Reader/Writer lets you drag and drop files, images, and music for editing and storage on your computer. Transfer speeds of up to 12MBps let you move your files 40 times faster than through a serial port. The CompactFlash Reader includes a dedicated slot that accommodates CompactFlash Type I and Type II Cards.

Características del producto:

- Uses your system's power, so it requires no AC adapters or batteries
