

Pro Series FireWire Cable, 4-pin/4-pin - 4.3M (14 feet) - CF1200aed14

This high-performance Pro Series FireWire Cable from Belkin allows you to easily connect two Sony PlayStation units, two camcorders, or other FireWire (or Sony iLink) devices with 4-pin ports. It is designed to provide error-free data transmission between devices and to work with either PC or Macintosh computer platforms.

Product Features:

- Quad-Shielding Construction ensures high-speed transmission
- Copper-Foil Inner Shields reduce cross talk and interference
- Moulded-Strain Relief bends easily, for durability and fit
- Easy grip connectors allow easier installation even in tight places
- Manufacturer's Lifetime Warranty
