

Pro Series FireWire 800 Cable, 9-pin/9-pin - 1.8M (6 feet) - CF1500aed06

This Belkin FireWire 9-pin to 9-pin cable is the ideal cable interface solution for transferring multimedia images and other large data files. This cable connects FireWire devices with a 9-pin connector, such as hard drives and laptops to devices with a 9-pin connector, such as computers and hard drives. For ultra-fast transfer speeds up to 800Mbps.

Product Features:

- Quad-Shielding Construction ensures high-speed transmission
- Copper-Foil Inner Shields reduce cross talk and interference
- Moulded-Strain Relief bends easily, for durability and fit
- Easy grip connectors allow easier installation even in tight places
- Manufacturer's Lifetime Warranty
