

## Pro Series FireWire 800 Cable, 9-pin/9-pin - 4.3M (14 feet) - CF1500aed14

This Belkin FireWire 9-pin to 9-pin cable is the ideal cable interface solution for transferring multimedia images and other large data files. This cable connects FireWire devices with a 9-pin connector, such as hard drives and laptops to devices with a 9-pin connector, such as computers and hard drives. For ultra-fast transfer speeds up to 800Mbps.

### Product Features:

---
