## OmniView ExpandView Series Cable

Belkin OmniView ExpandView Series Cables provide maximum connectivity between your computers and OmniView ExpandView Video Splitters. Coaxial video cabling preserves video strength and clarity at higher resolutions. All OmniView cables have double-shielded cabling, modified slender thumbscrews, strain-relief construction, ferrite bead, and PC99 color-coded connectors.

©2000 Belkin Components

### Benefits

- Industry-standard, 14-pin coaxial VGA cabling
- Midnight Gray PVC Flextec jacket
- Nickel-plated, high-integrity connectors
- Easy-to-handle, slender thumbscrews
- Double-shielded cabling for maximum protection against RFI and EMI
- Strain-relief construction on both ends of the cables
- Available in 6 & 10 feet
