

Convertible Folio for Samsung K5 - F8M014eaPNK

The convertible folio case provides an elegant and stylish solution for protecting and carrying your Samsung K5. Its convertible-case design and clear, protective screen cover keep your Samsung K5's controls easily accessible while protecting the unit from everyday wear and tear. This case offers a snug fit with premiere quality easy-care micro fiber and ballistic nylon construction to protect your Samsung K5 player as you take it with you on the move. The convertible folio case accommodates the unique usage model of the K5, allowing you to use both the speaker and headset mode without removing your player from the case.

Product Features:

- Accommodates both the speaker and headset mode of the Samsung K5
- Offers elegance and convenience in a classic folio design
- Ensures easy access to all Samsung K5 ports and controls
- Protects with clear screen cover and easy-care micro fiber and ballistic nylon construction
- Comes with a Belkin lifetime warranty
- Swivel belt clip for convenient positioning on the go
