

USB Power World Travel Kit - F8Z098eaTRAV

Charge your iPod or mini-USB device, anytime, anywhere. Also works with many popular mobile phones and MP3 players. A sophisticated bag will allow you to neatly store and carry the products around at home or while travelling.

Product Features:

- Unlimited power whenever you need it through any AC outlet
- Works in any country in the world (adapter for Australia not included)
- Bag for easy storage/carrying while on the road or at home
- 1 USB Port
