

Case for Samsung K5

Protect and store your Samsung K5

The Case for Samsung K5 provides an elegant and stylish solution for protecting and carrying your player. Its convertible, folio-case design and clear screen cover keep your Samsung K5's controls easily accessible while protecting the unit from everyday wear and tear. This Case offers a snug fit with premier-quality, easy-care microfiber and ballistic-nylon construction to protect your Samsung K5 player as you take it with you on the move. The Case accommodates the unique usage model of the K5, allowing you to use both the speaker and headset mode without removing your player from the Case.

Benefits

- Accommodates both the speaker and headset mode of the Samsung K5
- Offers elegance and convenience in a classic folio design
- Features swivel belt clip for convenient positioning on the go
- Ensures easy access to all Samsung K5 ports and controls
- Protects with clear screen cover and easy-care microfiber and ballistic-nylon construction
- Comes with a Belkin Lifetime Warranty
