

Add USB ports—save space In-Desk USB Hub

4
Ports

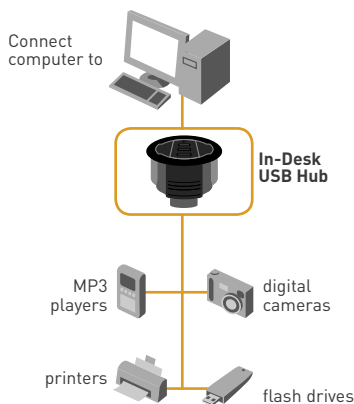

Nearly all your mobile gadgets plug in to your computer through USB. You can make quick and convenient connections through the In-Desk USB Hub for your flash drive, camera, and more—and save space around your computer.

The Hub easily fits into a 2-inch-round opening on your desk or other surface, and connects directly to your computer with the included USB cable.

Benefits

- Fits into a 2-inch hole in your desk, for quick access
- Includes mounting ring that secures Hub
- Offers quick way to plug in drives, cameras, and more
- Lets you easily plug in devices, right on your desktop
- Saves valuable space
- Comes with a Belkin Lifetime Warranty

Note: If your desk does not have a pre-drilled hole in it, you can drill one yourself using a 2-inch hole saw (requires separate purchase, not from Belkin).

System Requirements:

For PC Users

- Pentium® processor-based computer with Hi-Speed USB 2.0 port available
- Windows® 98 SE, 2000, Me, XP, or Vista™
